

# AN ISLAND AT THE TOP OF THE WORLD

Grímsey Island is a 5 km<sup>2</sup> island 40km north of the Icelandic coastline. The all-year population is around 80 people.

Grímsey Island is one of those places that will stay with you for a long time. The scenery, the wildlife, the harsh elements of nature and the cultural heritage is still so strong in the people living there.

We welcome you to the Arctic island of Grímsey, where the Arctic Circle crosses on the green and beautiful island.

## HOW TO GET TO GRÍMSEY

Grímsey is one of the most remote places in Iceland and transport is frequently impacted by weather conditions.

**FERRY** - Main transport to Grímsey from Dalvík. Duration: 3hrs. See accurate dates on our websites. > [www.arctictrip.is](http://www.arctictrip.is)
